

Doors of Lake Elsinore Sign Up

Thank you for choosing to be a part of STUDIO 395's Doors of Elsinore project. This is the kick-off for our ARTistDetour venue that will be a location for artists to create/display/sell and for community members to learn and experience art and culture in their own neighborhood. We are very excited to create a unique and fun venue. Our start will be these doors which will be utilized to define space along the fence line and within the property. There are a few basic rules that should be followed.

1. The message/art on your door should show be a positive representation of what is hopeful, inspiring or exciting about Lake Elsinore and/or its people. No political or offensive images or language.
2. Logos, business or family name is allowed but must be only a part of an artistic message.
3. Your donation will allow for 2 years of display. Your door may be used offsite our location as a means of marketing and generating more interest. At 2 years you will be contacted to determine if you wish to continue to display or repaint a new message.
4. We reserve the right to refuse any submission that does not follow these guidelines. Any donation will be refunded.
5. For best results we suggest:
 - a. Clean and remove all hardware from your door
 - b. Put on a base background coat of paint to the side being painted
 - c. When complete and dry, add a coat of clear varnish to painted surface to improve longevity
